Seiko TP-20 TIME RECORDER

The TP-20 is a multi-purpose time recorder, fully equipped to deal with the essential time keeping requirements of the modern business. It will operate as a time clock, a job costing clock and also as a time stamp and numbering machine. The TP20 features a large digital display, quick installing ribbon cartridge, easy card alignment and a print viewfinder. In the event of power failure, the built-in lithium battery will retain system memory for up to 3 years.

MAIN FEATURES

- Automatic or push-button printing
- Perpetual automatic calendar to year 2099 for automatic adjustment to day, month and year
- 12 or 24 hour format, regular minute, 1/10th, 1/20th or 1/100th of an hour
- Prints 13 selectable messages (RCVD, SENT, IN, OUT, CMFD, FILED, PAID)
- Digital LCD with 7 segments - date, hour, minute and day of the week indicator
- Automatic daylight saving time adjustment
- Built-in lithium battery back-up - 3 years memory
- Accurate to ± 15 seconds per month
- Large LCD display
- Up to 40 user-selectable printing formats
- Easy to change ribbon cartridge
- Multiple copy print (original + 4)
